

Second Annual Symposium on

Gender and Sexuality

Wednesday April 13th in the HUB

Keynote Speaker: Dr. Betsy Crane

Demythologizing Sex, Gender, and Sexual Orientation: Understanding Where We've Been and Envisioning New Possibilities

How we think about the concepts of sex, gender, and sexual orientation has a profound influence on our everyday lives. Dr. Crane will discuss each in terms of their history and complexity, and inspire us to consider what it means to envision a broader menu.

9-9:45am in the HUB, Ohio Room
